

10 Year Limited Manufacturing Defects Warranty For Studio by Karastan Rugs

Karastan warrants to the original owner that this Karastan rug shall be free of any manufacturing defects upon original receipt. Manufacturing defects will be determined by an authorized Karastan inspector. Conditions such as matting, packing, or crushing, which are maintenance related and beyond the control of the manufacturer are explicitly excluded from this warranty.

If this product has a manufacturing defect, Karastan will repair or replace it with a product of the same quality and color or a product of comparable quality and color if the original product is not available. You may be responsible for certain material and labor charges associated with the replacement of any area rug.

The following chart outlines the reimbursement limitation for which Karastan will be responsible.

Reimbursement Limitation

Year 1 – 3	100%
Year 4	50%
Year 5	20%

Conditions such as shading, (i.e., pile reversal, watermarking, pooling, highlighting), photo bleaching, matting, and/or crushing, fuzzing, pilling, shedding, snags, pulled loops, or soiling are not considered manufacturing defects.

Karastan reserves the right to require verification that the area rug is covered by this warranty, including the original receipt for proof of purchase.

Incidental or consequential damages are excluded. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation may not apply to you. This warranty gives you specific legal rights. You may also have other rights which vary from state to state. No implied warranties, including without limitation any warranties of merchantability or fitness for a particular purpose, shall extend beyond the term of this specific warranty.
